Community Services

## Volunteers wanted!

**Better at Home** helps seniors continue to live independently in their own home and stay connected to their friends, neighbours and community.

If you like the idea of enhancing a local senior's life through non-medical home support services, such as grocery shopping, friendly visits, minor home repairs or transportation to medical appointments...**we want you!** Not a big commitment, just once or twice a month depending on your availability.

Volunteer drivers are required to use their own vehicle and travel expenses are reimbursed if driving outside of their own community.

**Register today! Contact:** [christina.rupp@sscs.ca](mailto:christina.rupp@sscs.ca) or 604 597 9090
